Your student health insurance coverage, offered by Aetna Student Health*, may not meet the minimum standards required by the health care reform law for the restrictions on annual dollar limits. The annual dollar limits ensure that consumers have sufficient access to medical benefits throughout the annual term of the policy. Restrictions for annual dollar limits for group and individual health insurance coverage are **$1.25 million** for **policy years** before September 23, 2012; and **$2 million** for **policy years** beginning on or after September 23, 2012 but before January 1, 2014. Restrictions for annual dollar limits for student health insurance coverage are **$100,000** for **policy years** before September 23, 2012, and **$500,000** for **policy years** beginning on or after September 23, 2012, but before January 1, 2014. Your student health insurance coverage includes an annual limit of **$250,000** per condition on all covered services including Essential Health Benefits. Other internal maximums (on Essential Health Benefits and certain other services) are described more fully in the benefits chart included inside this Plan summary. If you have any questions or concerns about this notice, contact (866) 577-6692. Be advised that you may be eligible for coverage under a group health plan of a parent’s employer or under a parent’s individual health insurance policy if you are under the age of 26. STUDENT MEDICAL INSURANCE PLAN

This is a brief description of the Student Medical Expense benefits available for Catholic University of America students. The plan is underwritten by Aetna Life Insurance Company (called Aetna). STUDENT COVERAGE

ELIGIBILITY
All Catholic University of America students with registered credit hours are eligible to enroll in the CUA Medical Insurance Plan. Your method of enrollment or waiver from the Plan will depend on your student registration status as defined by The Catholic University of America. Please contact CUA Student Accounts at (202) 319-5300 if you are unsure of your registration status.

Domestic Students (registered for 12 or more credit hours): are automatically enrolled in the insurance plan unless an on-line waiver is submitted and accepted by the posted deadline.

All International Students Holding a J1 or F1 Visa (regardless of registered credit hours): are automatically enrolled in the CUA Student Medical Insurance Plan unless proof of other comparable coverage is submitted online and by September 12, 2012. Waiver submissions will be audited by The Catholic University of America, Aetna Student Health, and/or their contractors or representatives. You may be required to provide, upon request, any coverage documents and/or other records demonstrating that you meet the school’s requirements for waiving the student health insurance plan. By submitting the waiver request, you agree that your current insurance plan may be contacted for confirmation that your coverage is in force for the applicable policy year and that it meets waiver requirements.

Domestic Students (registered for less than 12 credit hours): are eligible to purchase The Catholic University of America Student Medical Insurance Plan on a voluntary basis.

John Paul II Institute, The Dominican House of Studies and Washington Theological Union Students: are eligible to purchase The Catholic University of America Student Medical Insurance Plan on a voluntary basis.

Note: If you are defined as a domestic student or an international student with a visa other than F1 or J1 taking less than 12 credit hours at the University, you must proactively enroll yourself through Aetna Student Health’s Website www.aetnastudenthealth.com by the posted deadline and the charge will be applied to your CUA Student Account.

Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the eligibility requirement that the student actively attend classes. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

CONTINUOUSLY INSURED

“Continuously insured” means a person who was insured under prior Student Health Insurance policies issued to the school; and is now insured under this Policy. Persons who have remained continuously insured will be covered for conditions first manifesting themselves while continuously insured; except for expenses payable under prior policies in the absence of this Policy. Once a break in continuous insurance occurs; the definition of injury or sickness will apply in determining coverage of any condition which existed during such break.

REFUND POLICY

If you withdraw from school within the first 31 days of a coverage period, you will not be covered under the Policy and the full premium will be refunded, less any claims paid. After 31 days, you will be covered for the full period that you have paid the premium for, and no refund will be allowed. (This refund policy will not apply if you withdraw due to a covered Accident or Sickness.)

Exception: A Covered Person entering the armed forces of any country will not be covered under the Policy as of the date of such entry. In this case, a pro-rata refund of premium will be made for any such person upon written request received by Aetna Student Health within 90 days of withdrawal from school.

PREFERRED PROVIDER NETWORK

Aetna Student Health has arranged for you to access a Preferred Provider Network in your local community. Acute care facilities and mental health networks are available nationally if you require hospitalization outside the immediate area of the Catholic University campus.

To maximize your savings and reduce your out-of-pocket expenses, select a Preferred Provider. It is to your advantage to use a Preferred Provider because savings may be achieved from the Negotiated Charges these providers have agreed to accept as payment for their services.

You may also obtain information regarding Preferred Providers by contacting Aetna Student Health at (866) 577-6692, or through the Internet by accessing DocFind at www.aetnastudenthealth.com.

Preferred providers are independent contractors and are neither employees nor agents of Aetna Life Insurance Company, Chickering Claims Administrators, Inc. or their affiliates. Neither Aetna Life Insurance Company, Chickering Claims Administrators, Inc. nor their affiliates provide medical care or treatment and they are not responsible for outcomes. The availability of a particular provider(s) cannot be guaranteed and network composition is subject to change.

PRE-CERTIFICATION PROGRAM

Pre-certification simply means calling Aetna Student Health prior to treatment to obtain approval for a medical procedure or service. Pre-certification may be done by you, your doctor, a hospital administrator, or one of your relatives. All requests for certification must be obtained by contacting Aetna Student Health at (866) 577-6692 (attention Managed Care Department).

Pre-Certification of Non-Emergency Inpatient Admissions, Partial Hospitalization, Identified Outpatient Services and Home Health Services:
The patient, Physician or hospital must telephone at least three (3) business days prior to the planned admission or prior to the date the services are scheduled to begin.

Notification of Emergency Admissions:

PRE-EXISTING CONDITIONS/ CREDITABLE COVERAGE PROVISIONS

Pre-existing Condition
Any injury; sickness; or condition that was diagnosed or treated within twelve months prior to the covered person’s effective date of insurance.

DESCRIPTION OF BENEFITS*

Please Note:
THE CATHOLIC UNIVERSITY OF AMERICA PLAN MAY NOT COVER ALL OF YOUR HEALTH CARE EXPENSES.

The Plan excludes coverage for certain services and contains limitations on the amounts it will pay. Please read the Catholic University Plan Brochure carefully before deciding whether this Plan is right for you. While this document will tell you about some of the important features of the Plan, other features may be important to you and some may further limit what the Plan will pay. If you want to look at the full Plan description, which is contained in the Master Policy issued to Catholic University, you may view it at the CUA Insurance Administrator’s Office in 170 Leahy Hall or you may contact Aetna Student Health at (866) 577-6692.

This Plan will never pay more than $250,000 per condition per Policy Year. Additional Plan maximums may also apply. Some illnesses or injuries may cost more to treat and health care providers may bill you for what the Plan does not cover.

Subject to the terms of the Policy, benefits are available for you only for the coverages listed below, and only up to the maximum amounts shown. Please refer to the Policy for a complete description of the benefits available.

All insurance coverage is subject to the terms of the Master Policy and applicable state filings. Under health care reform legislation, student health plans may be required to eliminate or modify certain existing benefit plan provisions, including, but not limited to, exclusions and limitations. Aetna reserves the right to modify its products and services in response to federal and/or state legislation, regulation or requests of government authorities.
*Benefit descriptions have been added to this brochure to help illustrate new Health Care Reform (HCR) requirements. HCR requirements are currently being filed for support in individual states and will appear in policy contracts and certificates of coverage once approved.

GENERAL PROVISIONS

STATE MANDATED BENEFITS
The Plan will pay benefits in accordance with any applicable Washington, D.C. State Insurance Law(s).

SUBROGATION/REIMBURSEMENT
RIGHT OF RECOVERY PROVISION

Immediately upon paying or providing any benefit under this Plan, Aetna shall be subrogated to all rights of recovery a Covered Person has against any party potentially responsible for making any payment to a Covered Person, due to a Covered Person's injuries or illness, to the full extent of benefits provided, or to be provided by Aetna. In addition, if a Covered Person receives any payment from any potentially responsible party, as a result of an Injury or illness, Aetna has the right to recover from, and be reimbursed by the Covered Person for all amounts this Plan has paid, and will pay as a result of that Injury or illness, up to and including the full amount the Covered Person receives, from all potentially responsible parties. A “Covered Person” includes for the purposes of this provision, anyone on whose behalf this Plan pays or provides any benefit, entitled to receive any benefits from this Plan.

As used in this provision, the term “responsible party” means any party possibly responsible for making any payment to a Covered Person or on a Covered Person's behalf due to a Covered Person's injuries or illness or any insurance coverage responsible making such payment, including but not limited to:
1. Uninsured motorist coverage,
2. Underinsured motorist coverage,
3. Personal umbrella coverage,
4. Med-pay coverage,
5. Workers compensation coverage,
6. No-fault automobile insurance coverage, or
7. Any other first party insurance coverage.

The Covered Person shall do nothing to prejudice Aetna's subrogation and reimbursement rights. The Covered Person shall, when requested, fully cooperate with Aetna's efforts to recover its benefits paid. It is the duty of the Covered Person to notify Aetna within 45 days of the date when any notice is given to any party, including an attorney, of the intention to pursue or investigate a claim, to recover damages, due to injuries sustained by the Covered Person.

The Covered Person acknowledges that this Plan's subrogation and reimbursement rights are a first priority claim against all potential responsible parties, and are to be paid to Aetna before any other claim for the Covered Person's damages. this Plan shall be entitled to full reimbursement first from any potential responsible party payments, even if such payment to the Plan will result in a recovery to the Covered Person, which is insufficient to make the Covered Person whole, or to compensate the Covered Person in part or in whole for the damages sustained. This Plan is not required to participate in or pay attorney fees to the attorney hired by the Covered Person to pursue the Covered Person's damage claim. In addition, this Plan shall be responsible for the payment of attorney fees for any attorney hired or retained by this Plan. The Covered Person shall be responsible for the payment of all attorney fees for any attorney hired or retained by the Covered Person or for the benefit of the Covered Person.

The terms of this entire subrogation and reimbursement provision shall apply. This Plan is entitled to full recovery regardless of whether any liability for payment is admitted by any potentially responsible party, and regardless of whether the settlement or judgment received by the Covered Person identifies the medical benefits this Plan provided. this Plan is entitled to recover from any and all settlements or judgments, even those designated as “pain and suffering” or “non-economic damages” only.

In the event any claim is made that any part of this subrogation and reimbursement provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the Covered Person and this Plan agree that Aetna shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

EXCESS PROVISION
This Plan is an excess only Plan. As an excess only Plan, this Plan pays its Covered Medical Expenses after any other medical coverage. This Plan’s liability will be determined without consideration to any limitation clause or clauses regarding other coverage contained in any other medical coverage. Benefits Payable under this Plan shall be
limited to the Plan’s **Covered Medical Expense** and reduced by the amount paid or payable by any other medical coverage. However, consideration will be given to the other medical coverage’s liability due to a provider contract or other reasons when calculating this Plan’s Benefits Payable.

For the purposes of calculating a benefit under this Plan, the liability of the other medical coverage shall be considered and shall not depend upon whether timely application for benefits from other medical coverage is made by you or on your behalf. If any other medical coverage provides benefits on an excess only basis, the coverage for the Covered Member which has been in effect the longest shall pay benefits first.

“*Other medical coverage*” means any reimbursement for or recovery of any element of incurred covered charges available from any other source whatsoever whether through an insurance policy or other type of coverage, except gifts and donations, including but not limited to the following:

- Any group, accident-only, blanket, or franchise policy of accident, disability, health, or accident and sickness insurance.
- Any arrangement of benefits for members of a group, whether insured or uninsured.
- Any prepaid service arrangement such as Blue Cross or Blue Shield, group practice plans or health maintenance organizations.
- Any amount payable as a benefit for accidental bodily injury arising out of a motor vehicle accident to the extent such benefits are payable under the medical expense payment provision (or, by whatever terminology used to include such benefits mandated by law) of any motor vehicle insurance policy.
- Any amounts payable for injuries related to your job to the extent that he or she actually received benefits under a Workers’ Compensation Law.
- Social Security Disability Benefits, except that Other Medical Insurance shall not include any increase in Social Security Disability Benefits payable to you after you become disabled while insured hereunder.
- Any benefits payable under any program provided or sponsored solely or primarily by any governmental agency or subdivision or through operation of law or regulation.

**HMO/PPO Provision** – In the event that covered expenses are denied under a Health Maintenance Organization, Preferred Provider Organization (PPO) or other group medical plan the member has in force, and such denial is because care or treatment was received outside of the network’s geographic area, benefits will be payable under this coverage, provided the expense is a covered expense.

### EXTENSION OF BENEFITS

If a **Covered Person** is confined to a hospital on the date his or her insurance terminates, expenses incurred after the termination date and during the continuance of that hospital confinement, shall be payable in accordance with the policy, but only while they are incurred during the 90 day period, following such termination of insurance.

### TERMINATION OF INSURANCE
